

Community LIFT Memphis Empowerment Fund 2022

Community LIFT's Memphis Empowerment Fund Grant is designed to build grassroots leadership capacity by supporting neighborhood-based projects with funding and technical assistance. We envision this support will lead to an increased belief that people can make a difference through grassroots efforts; more people engaged in innovative solutions to improve neighborhoods; more residents working towards collective action; increased economic activity in under-resourced neighborhoods; and more advocates for investment in under-resourced areas.

Applicants are awarded up to \$2500 for neighborhood improvement projects. Interested in applying? First, you must attend an Information Session before submitting an application. **Information session dates and times are below. [Click this link to register for an information session:](#)**
